We’ll come out to your business and provide FREE training & tools so that your workplace is prepared for the Opioid Epidemic! **As a result of our training, you will:**

- Be able to recognize, respond and rescue someone having an opioid overdose
- Receive a FREE NARCAN KIT and training on how to use it. Narcan is a drug used to reverse opioid overdoses
- Gain support for employees facing these issues at home or in their personal lives
- Take the initiative to include **Overdose Prevention** in your Emergency Preparedness Policy

Federal, State and Local funding has been provided through Macomb County Community Mental Health/Office of Substance Abuse to support project costs.
